Center Montessori School Arrival and Dismissal Procedures

Level III Students:

L3 students are to be dropped off in the L3 parking lot.
L3 students will be dismissed at the northernmost pedestrian gate near the L3 parking lot.

Procedures Regarding School Access

For your child's safety, we have installed secure gates around the school property. These gates will be locked for most of the school day and unlocked during dismissal times. Should you need to access the school property during the school day when these gates are locked, park in the area behind the school and then go to the gate by the Primary playground. There is an intercom from which you can contact the school office. Once the school office has heard your request for entry, they will electronically unlock the gate and you may go directly to the school office for further assistance. The electronic gate is locked at 8:45am each morning and then unlocked at 2:45pm.

- If you need to park for any reason, please use the back parking spaces.
- If you arrive early and your child's class or your child has not yet been dismissed, please circle the driveway so that parents of children who are ready may be picked up.
- **Please do not park along the wooden fence; this is a fire & safety hazard. You may be ticketed.**
