**Parent Service Commitment**

At Center Montessori School it is our belief and philosophy that educating the child is a community effort among parents, teachers and children. It is therefore important to involve the parents in the classroom. I, the parent or guardian of \_\_\_\_\_, do hereby acknowledge that families of enrolled students are required to fulfill a minimum **15-hour service commitment** to our school community per academic year and that it is the parents' responsibility to seek out opportunities and make contact with the room parent or teacher to schedule time to volunteer. **I understand that if unable to complete this time commitment I/we may choose instead to pay a \$25 per hour Parent Service Fee for unfulfilled hours.**

I also commit as a parent to becoming educated about the Montessori Method as practiced by the Center Montessori School. This will include but is not limited to attending the Silent Journey program, participating in meetings and parenting programs, reading literature on the Montessori Method, and utilizing the parent library located in the Director's office. I understand that it is required that I participate in the Silent Journey program during my first three years as a Center parent.

**After-School Hours Safety Guidelines**

If you are on school property before or after class time and your child is not enrolled in extended care, your child is under your supervision and your child's safety is your responsibility.

If you are with your child and your child is playing with aftercare children, s/he must follow the school rules and listen to the aftercare assistants. For example, s/he needs to go up the stairs to the slide, not climb up the slide. These are the same rules as during the day. Please communicate this with your child.

If you are here for snow cones with your child, you are responsible for your child and her/his safety.

If you come to school after school hours (evenings or weekends) for any school-sponsored program, your child must be checked into childcare or be with you. S/he is not permitted to be on the school property unsupervised. If your child is checked into childcare, please discuss with your child that s/he must follow the school rules and directions of the childcare personnel.

I have read and understand the guidelines listed above.
