This week we continued our lesson on combustion. The students learned about the parts of a flame. They saw a demonstration of carbon as one of the by-products of combustion.

One of the students’ writing assignments this week was to write an advertisement for a new brand of sunglasses. They had to incorporate information from a background reading and include words from their weekly vocabulary list.

We had the opportunity to go to FELT today to help pack over 700 bags of food for the homeless students in Manatee County.

Don’t forget, the 3rd grade Holiday Gift shop is rescheduled for next week. Students may bring their money to purchase gifts for family and friends.
