Lessons This Week

.We had a lesson this week on a form of poetry called a pantoum. It is a style that is made up of different quatrains with an ABAB rhyming pattern. What makes this poem unique is the way the second and fourth lines repeat as the first and third lines in the next quatrain. In math the students have continued to work on their polyhedral shapes. Some are in the final stages of painting them.

Upcoming Events

- December 14 Spelling Test 7B
- December 14 FELT
- December 14 Spelling Test 7B
- December 21 Early Release
- December 24 Winter Break
- January 7 School resumes
- January 10 Follow the Child
- January 11 FELT
- February 23 Toothpick Bridge Competition

All of the students completed the introductory course of Hour of Code. This is a worldwide annual event that gets students excited and interested in learning about computer science and writing code.

FELT

Feeding Empty Little Tummies

Once again, our students volunteered to fill almost 650 bags of food for homeless children so they have food to eat over the weekend.

Thank you to **Christine Bouquin** and **Ola Zuraiqi** for driving!
