Dear Parents,

February 14th

Happy Valentine’s Day!

We have had a busy week beginning with our Spring Project. The children are enjoying watching their birds evolve on our canvas. This work will take us several weeks. We plan to be finished just before Spring Break so you may see their finished masterpiece!

While we always talk and experience caring and loving one another, we are in full swing with Valentine’s Day. We are working on our heart puppets and special cards for our parents. On Thursday, we baked our gluten-free blueberry muffins. The children love to mix and experience their work. They receive so much joy from their cooking! Ms. Alicia brought the small drums this week in music, the perfect size for small hands.

I have begun Parent-Teacher conferences this month. I can coordinate a day during the week which will work with Rosa to play with your child on our playground while we meet at the end of our day at 3:00pm. I am also happy to meet with you at 7:30am but cannot offer childcare during this time. While I will be contacting each of you to schedule your time, please do not hesitate to contact me also if you have a specific time that works best for you.

Our annual Book Fair is coming! If anyone is in need of volunteer hours we can use your help. Please let me know if you would like to volunteer. A volunteer flyer went home in your child’s Friday folder.

Have a great weekend!

Ms. Christine and Ms. Rosa
