Center Montessori School

February 15th, 2019

If the whole of mankind is to be united into one brotherhood, all obstacles must be removed so that men, all over the surface of the globe, should be as children playing in a garden."
Maria Montessori

E2 Classroom Activities: This week we had a division workshop in the classroom. We paired students who are strong with division with students who needed a little brush up on the process. It was beautiful to see everyone having a good time as they calculated.

We also spent some time this week talking and writing about kindness and love as Valentine's Day approached. One of the quotes we enjoyed was: "If you see someone without a smile, give them one of yours." - Dolly Parton. On Thursday, we had a fabulous time decorating our bags for collecting valentines, playing some fun outdoor activities, decorating valentine cookies, enjoying a most delicious lunch and treats, exchanging valentines, and finally getting our groove on with a dance party!
