Dear Elementary 1 Parents,

Montessori schools around the world will celebrate Montessori Education Week during the week of February 24–28, 2020. Our tradition is to hold a Schoolwide Celebration at the end of that week where we will have many of the children’s works and art works on display for you to enjoy. Each class will have a theme from the Montessori cosmic curriculum. Finally, the E1 children will perform a play.

This year, our play comes from the South American rainforest and is called, “The Great Kapok Tree.” Every E1 student is included in the play with musical/movement roles. However, there are certain speaking parts and musical lead instruments which will be cast soon by our Music Teacher, Alicia Kennedy. In order for us to properly prepare the children for the performance, we need to know which children are committed to being at the Schoolwide Celebration on Friday, February 28, at 5:30pm. Please complete the bottom portion and return to school by Monday, February 10, 2020. We will consider casting parts to children who are committed to attending the celebration. Thank you!

Schoolwide Celebration Student Participation Form
(Please return to school by Monday, February 10, 2020)

PRINT Student Name:_________________________________________________________

_____Yes, my child will participate in the E1 play during the Schoolwide Celebration on Friday, February 28, at 5:30pm.
