

OUR NEIGHBORS IN THE BAHAMAS NEED YOUR HELP!

Devastating hurricane damage has left nearly 70% of the country under water, and our neighbors in the Bahamas urgently need help with basic supplies.

CMS will be working with Florida Suncoast for the Northern Bahamas organization to collect supplies that will be flown directly to the people in most need.

Please bring supplies to your child's classroom or the office before 9/13.

Most urgently needed items :

- Non perishable food (canned, dry foods)
- Baby supplies (formula, diapers, wipes, clothing)
- Basic non prescription medical supplies
- Hygiene products
- Flashlights & batteries

If you can volunteer your time to pack boxes / work on logistics, pls let Akeelah Kuraishi know at akeelah@little-global-citizens.com
