In order to reserve a place for the 2022-2023 academic year, the financially-responsible parent or guardian must sign and return this registration packet, along with a non-refundable registration fee of \$750.

The undersigned acknowledge the above-named student ("Student") is enrolled for the entire school year or the portion remaining after date of admission, and is liable for tuition for the entire academic year or remainder of the academic year if the enrollment is after the beginning of the academic year, as outlined in the Tuition Refund and Credit Plan. The undersigned understands the overhead expenses of the School do not diminish with the departure of a student(s) during the course of a school year and agrees it is impossible for the School to determine the damage and loss to the School that would occur due to the later withdrawal of a student who has enrolled. Therefore, the undersigned becomes liable for a portion of or the entire year's tuition and fees as liquidated damages (and not a penalty) even if the Student is withdrawn, absent, or is involuntarily separated from the School as specifically provided in the Tuition Refund and Credit Plan which is an integral part of this contract. The undersigned acknowledge this obligation to pay the total tuition is unconditional. Any unpaid balance may be accelerated by the School and become immediately due and payable. The parent or guardian additionally agrees to pay any costs or fees, including attorney's fees and court costs, incurred by the School in the collection of obligations from the undersigned related to this Contract. Further, the undersigned hereby agrees for itself and child/children that it/they will indemnify the School and hereby releases the School and holds the School harmless from any claim or losses incurred by the School that such tuition is refundable or canceled or for any other matter associated with this Contract.

The School and the undersigned agree in the event the School may determine the Student or the family is either not ready or not adaptable to its program, the Student's enrollment will be terminated at the School's discretion. Additionally, a positive and constructive relationship between the School and Family Member (defined as Parent, Student, or other person associated with Student) is essential to the School's educational purpose and responsibilities to its students. If any Family Member engages in behavior, communications, or interactions on or off campus, that is disruptive, intimidating, overly aggressive, or reflects a loss of confidence in or disagreement with the School's policies, methods of instruction or discipline, or otherwise interferes with the School's safety procedures, responsibilities, or accomplishment of its educational purpose or program, the School reserves the right to dismiss the Family or Family Member from the community. The School may also place restrictions on a Family Member's involvement or activity at School for other reasons the School deems appropriate. Any determination under this Paragraph shall be in the School's sole discretion. There will be no refund of tuition where such dismissal occurs and any unpaid balance is payable in full according to the terms of this Contract. The School also reserves the right to withdraw an offer of enrollment or re-enrollment at any time and to void an executed Enrollment Contract.

The undersigned agree to be current on all accounts, including charges for incidental fees including but not limited to interest, Extended Day or extended care charges, unreturned textbooks, and field trips up to \$25 (field trips over \$25 will be paid by Parent in accordance with the terms of the specific trip). Any account six (6) days or more past due will be subject to a late payment charge of \$35. For every month the account continues in arrears, an additional late payment charge of \$35 per month will be assessed.

The undersigned acknowledge it is the policy of the School that students whose accounts (including but not limited to tuition, extended care fees, book fees, school lunch fees and any other fees charged) are more than thirty (30) days in arrears may be suspended from classes until such account is made current and may not participate in overnight trips, and further acknowledge that until a student's account is paid in full, no grades or transcripts or teacher or staff recommendations can be issued by the School or School staff.

The undersigned agree any outstanding balance and/or balance due under the terms of the Tuition Refund and Credit Plan which is an integral part of this Contract, is due in full 10 days from the date written notice of withdrawal is provided in accordance with the withdrawal provisions and further acknowledge that until a Student's account is paid in full, no grades or transcripts or teacher or staff recommendations can be issued by the School or School staff.

The undersigned agree to be responsible for reimbursement to the School for replacement or repair of any school property or materials the Student may destroy, and for the payment of any medical, dental, or other expenses resulting from any injury or illness the Student may sustain at the School.

The School's duties and obligations under this Contract shall be suspended immediately without notice during all periods the School is closed because of force majeure events including, but not limited to, any fire, act of God, hurricane, war, governmental action, act of terrorism, epidemic, pandemic or any other event beyond the School's control. If such an event occurs, the School's duties and obligations in this Contract will be postponed until such time as the School, in its sole discretion, may safely reopen. In the event that the School cannot reopen due to an event under this clause, the School is under no obligation to refund any portion of the tuition paid.

The undersigned parent or guardian of the Student understand the conditions of this Enrollment Contract and acknowledge receipt of a copy. I also understand that the above conditions constitute the entire Contract between the undersigned and the School, and no other commitments, verbal or otherwise, have been made to or by the School. This Contract may be modified in writing as signed by the Director of the School. This Contract and the rights and obligations of the parties shall be governed by and construed in accordance with the laws of the State of Florida without regard to principles of conflicts of law. The parties agree to waive the right to jury trial over any claims pertaining to Student's enrollment, attendance, or separation from the School including, but not limited to, claims of breach of contract, under statute, ordinance, or common law. The exclusive venue for any claim shall be the Middle District of Florida or any Florida state court in Manatee County, Florida, as appropriate. Should a court invalidate any provision of this Contract, the remaining provisions shall continue in full force and effect.
