

# 6<sup>th</sup> Grade News

Nov. 20, 2020

This week our class interviewed the E2 students about what they are grateful for. Our students were able to meet with them online in small breakout rooms. We had presentations this week. The students were responsible for writing a detailed essay about how to do a specific task. Then they had to create a presentation for the class that lasted between three and five minutes. During these presentations some of the things we learned how to do included making ice cream, creating a Power Point presentation, blending colored pencils, doing a card trick, and baking a microwave mug cake. We have some talented and creative students!

## Important Dates

11/23-27	Thanksgiving Break
12/4	Spelling Test 7
12/11	Vocab. Test 7
12/18	Early Release
12/21-1/4	Winter Break
1/5	Students Return

Each year the 6<sup>th</sup> grade students make apple cranberry pies to celebrate Thanksgiving.

Have a wonderful  
Thanksgiving Break!
