*Center Montessori School*

March 6, 2020

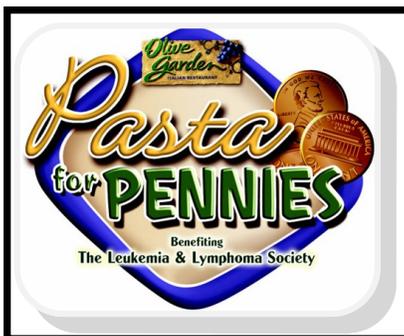

*"The person who is developing freely and naturally arrives at a spiritual equilibrium in which he is master of his actions, just as one who has acquired physical poise can move freely."*  
*María Montessori*

**E2 Classroom Activities:** In addition to the many things we do

in the E2 classroom, we also take the time to learn about pets. Each week a different family's pet is featured. We have had numerous pets visit this year including guinea pigs, dachshunds, mastiffs, hamsters, fish, and cats. The animals come in first thing in the morning and we have time to pet the animals if appropriate. Then students talk about the care of the animal. We

leave time for questions. This week we celebrated the great results of our charity venture, "Pasta for Pennies." The E2 classroom raised the most money for the Leukemia and Lymphoma Society out of all the classrooms in the school. Olive Garden provided a pasta lunch for our classroom. They served penne with marinara, breadsticks, and a delicious salad. What a nice treat for all of us!

Students have been busy working on their extensive research projects this week. They also worked on two art projects, finishing up our collage pieces and beginning to work on the Spring Fling live auction classroom project. Don't miss our Spring Fling the evening of March 28th for the

opportunity to spend fun time with other Center parents and bid on what promises to be an amazing classroom venture.

Our big class trip is this year is to Sea Camp in the Florida Keys. The dates are May 6,7, and 8.

The remaining balance of \$635.00 is due November 15th

There will be some additional costs which we will share with you closer to the trip.

---

*Thank You!*

Thank you to all the families that contributed to the Pasta for Pennies fundraiser. Thank you to Sierra and Erin for being willing to go and pick up our free lunch from Olive Garden. It was so delicious!

### Mystery Math

**X is an odd number. Take an alphabet away from X and it becomes even. Which is that number?**
