

## **Center Montessori School Referral Fee Program**

**Share the good news about your experience at CMS! If you refer a family to Center Montessori and they enroll, you will receive \$100. Attached is a referral form. If you need more or any information on Center Montessori or a registration packet, they are in the office. Make sure you fill out the form below so we can give you credit!**

*Of course, here is the necessary small print information, but we will try to keep it big enough to read.*

- 1. We need you to turn in the form so we know **you** referred the new family and can thank you with \$100 if they enroll.*
- 2. If more than one Center Montessori family turns in a form referring the same new family, the form received first will count as the referral form and receive the \$100 if the new family enrolls.*
- 3. The referral thank you is \$100 per new family. If you refer several new families and they enroll, you will receive \$100 for each new family.*

---
