SUMMER FUN EXPERIENCE

Primary Main Campus

2023

CENTER MONTESSORI SCHOOL MAIN CAMPUS

Where Teachers Love Teaching and Children Love Learning Since 1976

An educational summer program featuring weekly theme-based units filled with lots of arts and crafts your child is sure to like.

June 5-9 Books and Tunes: There's no better way to start the summer than by singing and dancing to children's all time favorite songs as well as reading from a collection of much loved storybooks. Your child will delight at creating crafts that go with the theme of the books and tunes introduced.

June 12-16 Gardening: Children will explore the beauty of nature while getting their hands dirty planting!

June 19-23 Famous Paintings: Calling all art appreciators! We are going on a discovery of famous paintings. Your child will engage his/her keen observation skills as we dive into a hands-on exploration of a number of masterpieces. Be warned: A visit to an art museum may be in order for your family as an after effect of this week!

June 26-30 Around the World: Grab your passport, adventure awaits you as you explore the world. Your child will learn different countries each day as we experience fun games and crafts from different cultures of the world.

July 10-14 Art Adventure: Children love art! This week will offer hands-on art projects that primary students can do and enjoy.

July 17-21 Water Week: Come dressed each day in your bathing suit for a week filled with old-fashioned water fun. Students should be sent to camp in their bathing suit with sunscreen applied prior to arriving at camp. Please send water shoes, a towel and a change of clothes daily.

July 24-28 Dinosaurs: Do you have a budding paleontologist? This week we will learn about different types of dinosaurs. We will enjoy dinosaur crafts, search for dinosaur eggs and finish the week with a dinosaur fossil hunt.

July 31- Space Week: Have a fun filled week while learning about the planets, stars, and solar system. A galaxy full of information for your child!

CAMP INFORMATION:
